

## **ARTSCAPE IN 2023**

We begin the New Year by expressing gratitude to our team members, volunteers and interns, our partners and our generous donors who have supported this journey.

Artscape, registered as Srijon Foundation was founded in 2016. The organisation uses creative art based tools to enable personal transformation by enhancing their emotional intelligence which have a long-term positive impact on the individual's academic, social and professional life.

# BEYOND ACADEMICS

## TESTIMONIALS

**I got to know things about myself which even I never knew. Felt very nice to think about myself. Normally we only notice things about other people but today was the first time I focussed on myself and it felt great.**

*Student ; Abhyudaya Program*

**The living conditions of many of the children are depressing and difficult. Children often get frustrated and have anger or anxiety issues. Artscape Sessions teach them how to stay calm, positive and motivated.**

*Centre Incharge : Acorn Foundation - Mahim*

# CARE FOR CANCER

**Sessions to provide Emotional Support to patients, survivors and Caregivers to aid the process of recovery and rehabilitation**

# CARE FOR CANCER

## TESTIMONIALS

**We really liked the session. Movements which are done step by step were easy and very effective. Things which are told to us gave us strength.**

*Session participant*

**I got to know the importance of acceptance. When we get to know that we have cancer at that time we are not able to understand anything like how we can cure it. To cure it we have to accept it first and it will be cured slowly.**

*Session participant*

# **CORPORATE WELLNESS**

**Unique Sessions on Self-Management to impact Personal Wellbeing and Professional Productivity.**

## **PARTNERSHIPS**

- **ATC-Yokohama Tires**
- **Disney Star**
- **JC Penny**

# CORPORATE WELLNESS

## TESTIMONIALS

**Got colors in my hand after a very long time. It boosted my creativity somewhere, which is required in our life. By the time doing this session I felt more aware of myself, of all qualities I like to have and currently I have.**

*YakohamaTire session (ATC)*

**In our corporate job sessions like this it is very important to relax and open our inner feelings. I enjoyed every bit of it because there were many things to learn and unlearn. I realised I need to grow more aspirations and dreams towards life.**
